### **St Barths - Villa Coeur de Pirate**

Overlooking Anse des Cayes (with a staircase providing direct access down to the beach), this six-bedroom estate opened this past June following a major refurbishment. Guests enjoy panoramic coastal views from the veranda and large heated pool while the open-plan rooms in cream and white embrace indoor-outdoor living. Amenities include a Jacuzzi, massage room and fitness area. The property also comes with concierge services and use of the beach club and water-sports facilities at Le Barthélemy Hotel & Spa, a 15-minute drive away.
